**Made in the USA, 4mm-thick LVT from the Uninterrupted Collection  
Eliminates the Need for Transition Strips to Carpet**

May 27, 2019 — At NeoCon 2019, Mannington Commercial will be featuring the Uninterrupted Collection: 4mm-thick LVT that eliminates the need for transition strips to carpet. Without the visual break of a transition, Uninterrupted makes it simple to achieve a seamless, cohesive look in spaces with multiple flooring types.

The Uninterrupted Collection offers twelve fresh visuals to suit all types of spaces, including eight woods in 7.25" x 48" planks and four stones in 12" x 24" tiles.

The styles feature a palette of warm and cool tones and visuals that work with aesthetics from classic to contemporary. Uninterrupted is designed to coordinate beautifully with Mannington Commercial's range of carpet and hard surface flooring collections, so it is easy to give spaces a coherent look while using different types of flooring in different areas.

The Uninterrupted Collection has a 20 mil wear layer and features Quantum Guard Elite<sup>®</sup>, Mannington Commercial's industry-leading performance technology. LVT with Quantum Guard Elite is proven to provide the highest scratch resistance in the industry, with a patent-pending two-part wear layer and aluminum oxide infused top coat. Quantum Guard Elite provides superior durability, dimensional stability and impact resistance. LVT with Quantum Guard Elite is also easy and cost-effective to maintain, with no need for polishing. The Uninterrupted Collection carries a limited fifteen-year commercial warranty and limited fifteen-year Quantum Guard Elite wear warranty.

In addition to design and performance advantages, the Uninterrupted Collection offers the environmental benefit of containing 2% rapidly renewable resource content. The collection is FloorScore certified and features an Industry-wide 3rd Party Type III EPD.

The Uninterrupted Collection is made by Mannington Commercial in Madison, Georgia. Manufacturing in the USA not only supports local economies but

manningtoncommercial.com

also allows Mannington Commercial to provide clients with better quality control and service, faster shipping and a vast array of flooring products—including Uninterrupted LVT—without overseas shipping costs or price increases due to higher tariffs.

The Uninterrupted Collection will be on view at NeoCon 2019 in the Mannington Commercial Showroom, #1039.

**About Mannington Commercial**

Mannington Commercial crafts flooring with purpose. The company offers a full range of products designed to inspire creativity and deliver advanced performance in all types of commercial spaces. Across modular carpet, broadloom, LVT, resilient sheet and rubber, customers receive coordinated solutions to meet their specific goals. The fourth-generation, family-owned company is guided by this dedication to its customers and to making a positive impact on the environment and local communities.
