Mannington Commercial Introduces the Captivate Collection

Luxuriously Textured, Hand-Tufted 100% New Zealand Wool Rugs Bring Organic, Natural Beauty to Commercial Interiors

CHICAGO – NeoCon Expo – June 12, 2023 — Mannington Commercial (10th Floor, 1039), a leading manufacturer of commercial flooring products crafted with purpose, is introducing the new [Captivate Collection](#) at this year's NeoCon. The hand-tufted 100 percent New Zealand wool rugs, luxuriously textured and level-striated, bring the organic natural beauty of wool to commercial interiors.

Designers can choose from two styles, each in eight colorways, across three standard size options: 5-feet by 8-feet, 8-feet by 11-feet, or 10-feet by 14-feet. For added creativity, designers can select either of the two styles as a broadloom option up to five meters wide. The Captivate Collection is manufactured to meet ADA requirements and comes with Mannington Commercial's limited two-year warranty.

"The Captivate Collection's luxurious natural look brings warmth and sophistication to any interior space, from education to retail to workplace," said Roby Isaac, Mannington Commercial Vice President of Commercial Design. "What's more, products from the collection can be easily paired with any one of our other flooring solutions to create a harmonious look across a design scheme. Designers will find plenty of versatility and design inspiration in this new collection."
